

LUXURY  
COLLECTION

FIGURE<sup>®</sup>

The careful construction and attention to detail is evident in every inch of this garment.

The finest imported threads with a polyester core, makes the stitch strong and

extremely durable.

18 stitches per inch make the seam pucker resistant for that crisp, fresh look throughout the life of the garment.

The interlining material for the collars and cuffs are imported from

France to give bubble free collars and cuffs.

The Java buttons imported from Italy do not

Break and impart a long lasting lustre that completes the luxurious look and feel.

So, go ahead and enjoy this quality product from (figure) and give your personality that

extra dash of flair.
