About KIPS College

In 2004, KIPS Colleges were launched in Lahore to impart a conceptual and knowledge-based education at intermediate level. Having received unprecedented appreciation and acknowledgement from the students and their parents, today, KIPS College separate campuses for boys & girls across Punjab & in Federal Capital are continuously empowering the Pakistani youth to create a brighter tomorrow.

In these years, the students from KIPS Colleges have done wonders, not only in board exams but also in entry tests examination leading to the country's most well-acknowledged universities and higher educational institutes. The spirit of integrity and the zeal for hard work has earned KIPS Colleges a distinct position among the leading educational institutions. KIPS College students are well-equipped to face the real challenges of practical life and to become an integral part of society.

Here what makes education special to them, is the rigorous schedule of academic work and the professional skills of teachers in stimulating the learning to the optimum level.
